

SANDHIYAA M

Frontend Developer / UI Developer

Chennai, Tamil Nadu, India | +91 87782 34772 | sandhiyaa1309@gmail.com | github.com/SandhiyaaM | linkedin.com/in/sandhiyaa-m/

PROFESSIONAL SUMMARY

Frontend Developer with internship experience building responsive web and mobile applications using React.js, Flutter, Angular, TypeScript, and Tailwind CSS. Skilled in developing reusable UI components, converting Figma designs into production-ready interfaces, and collaborating in Agile teams. Passionate about building clean, scalable, and user-friendly applications.

TECHNICAL SKILLS

UI/Frontend: React.js, Flutter, Angular, JavaScript, TypeScript, HTML5, CSS3, Tailwind CSS

Design & Tools: Figma (Design-to-Code), Responsive Web Design, Component-Based UI, Cross-Browser Compatibility, UI Optimization, Git, GitHub, VS Code, Chrome DevTools

AI Tools: ChatGPT, Claude AI, GitHub Copilot

Programming & Database: Java, C, SQL

INTERNSHIP EXPERIENCE

Frontend Developer Intern, Veract Consultancy Pvt. Ltd.

03/2026 - 07/2026 | Chennai

- Developed 3+ responsive UI screens for a School ERP application using Flutter, React.js, and Tailwind CSS, and built 2+ UI screens for a POS application using React.js and Tailwind CSS.
- Converted UI designs into responsive, reusable components and collaborated with the development team using Git to deliver high-quality frontend features.
- Ensured cross-browser compatibility and consistent UI performance across devices using Chrome DevTools.

UI/UX Designer Intern, Codec Technologies Pvt. Ltd.

08/2025 - 11/2025 | Chennai

- Designed wireframes, user flows, and high-fidelity UI designs using Figma across multiple projects, including a Healthcare Appointment System.
- Converted selected UI designs into HTML, CSS, and JavaScript for interaction and layout validation, applying usability principles, typography, and responsive design practices.
- Published completed projects, screenshots, and documentation on GitHub for team and stakeholder review.

Web Developer Intern, Chennai Metro Rail Limited

05/2024 - 11/2024 | Chennai

- Developed 10+ responsive, pixel-perfect, accessible UI screens using Angular, HTML, CSS, and TypeScript from Figma designs.
- Improved UI performance by 25% using reusable Angular components and integrated REST APIs for real-time data rendering in an Agile environment.
- Collaborated with cross-functional teams using Git version control to deliver features on schedule.

UI Designer Intern (Virtual), CodSoft

11/2023 - 12/2023 | Chennai

- Designed UI screens, wireframes, and interactive prototypes using Figma, focusing on layout consistency, spacing, and user-centric design and also created wireframes and high-fidelity designs following UI/UX best practices.

PROJECTS

EV Charging Station Booking Web Application (Frontend), Angular, TypeScript, HTML5, CSS3

2025

- Designed and developed a responsive UI for locating and booking EV charging stations, with reusable Angular components and routing for smooth navigation.
- Implemented slot booking and user dashboard interfaces with map-based station visualization and UI state management for available, booked, and unavailable slots.

COPD Detection Using Breath Sound Analysis (Academic Project), Python, TensorFlow, Matplotlib

2025

- Built a deep learning project to detect COPD from breath sound datasets, gaining exposure to ML workflows, feature extraction, model evaluation, and data visualization.

EDUCATION

Bachelor of Engineering - Computer Science Engineering | CGPA: 8.2

10/2021 - 05/2025 | Chennai

Prince Shri Venkateshwara Padmavathy Engineering College

Higher Secondary & SSLC | HSC (2021): 88% | SSLC (2019): 83%

2019 - 2021 | Chennai

New Prince Matriculation Higher Secondary School

CERTIFICATES

UI/UX & E-Commerce Website Design - GUVI | Full Stack Java Development & HTML - Simplilearn | Programming in Java and C - NPTEL |

Mastering Figma: Beginner to Expert UI/UX Design - GUVI

ACHIEVEMENTS & PARTICIPATION

- Patent: E-Vehicle Charging Station (Patent No: 202441025073 A)
- Hackathons: Socio Tech Hackathon 2024 | Smart India Hackathon 2023
